December 10, 2001

Dear Harold and Lil,

I want to thank you for allowing Becky and I to be your guests on Saturday, and apologize for being late. I only regret that it could not have been longer. Your personalization through your autograph on the books I presented to Sarah Hofteizel and Roy and Mora Hilderman from age 16 to 75, were much appreciated. My best to both of you

Sincerely, Dave Keck
